

Update the General Terms and Conditions and the Form of Service Agreements for address and telephone number changes; (2) delete the prefix in the date area of the Form of Service Agreements to be Y2K compliant; and (3) update the marketing affiliate information in the General Terms and Conditions Section 17 as necessitated by the acquisition of TLNG by CMS Energy Corporation.

TLNG states that copies of this filing are being served on all affected customers and applicable state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Williams Gas Pipelines Central, Inc.; Notice of Proposed Changes in FERC Gas Tariff

October 13, 1999.

Take notice that on October 1, 1999, Williams Gas Pipelines Central, Inc. (Williams), tendered for filing to become part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheets, with the proposed effective date of November 1, 1999:

Eleventh Revised Sheet No. 6
Fourteenth Revised Sheet No. 6A

Williams states that pursuant to the Offer of Settlement (Settlement) filed July 18, 1999 in the above referenced

dockets, Williams is filing to discontinue the Rate Schedule FTS surcharges and the GSR component of the maximum ITS rate established in Docket Nos. RP99-257, et al. Article I, Section D of the Settlement provides that all Commission dockets in which Williams' GSR costs are at issue shall be concluded and terminated by the Commission's approval of the Settlement. Article III, Section A provides that the Settlement shall become effective "on the first day of the first month commencing at least 30 days after a Commission order approving [the Settlement] becomes no longer subject to rehearing or appeal." By order issued August 30, 1999, the Commission approved the Settlement. No requests for rehearing of the order have been filed, therefore the order is final and the Settlement is effective November 1, 1999.

Williams states that a copy of its filing was served on all participants listed on the service lists maintained by the Commission in the dockets referenced above and on all of Williams' jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Southern LNG Inc.; Notice of Public Scoping Meeting and Site Visit, Elba Island Terminal Recommissioning Project

October 13, 1999.

On November 2, 1999, at 6:00 p.m., the Office of Pipeline Regulation environmental staff will conduct a public scoping meeting for the proposal by Southern LNG Inc. (Southern LNG) in its Elba Island Terminal Recommissioning Project in Savannah, Georgia. The meeting will be held at the Eli Whitney Elementary School, 2 Laura Street, Savannah, Georgia.

The public meeting will be designed to give more detailed information and another opportunity to offer comments on the proposed project. Interested groups and individuals are encouraged to attend the meeting and present oral comments on the environmental issues which they believe should be addressed in the environmental assessment. A list will be available at the public meeting to allow speakers to sign up. Priority will be given to those persons representing groups. A transcript of the meeting will be made so that your comments will be accurately recorded.

On November 3, 1999, at 8:30 a.m., the Commission's staff will meet with representatives of Southern LNG to
